

Crabapple Stakeholder Meeting
Thursday, October 8th, 2009
6 – 7:30 pm
Alpharetta Government Center
12624 Broadwell Road

Crabapple stakeholders and the public are invited to attend the Crabapple Stakeholder Meeting and provide input on the concept design for the Crabapple Crossroads intersection. Kimley-Horn and Associates is the consultant working on Milton's Comprehensive Transportation Plan (CTP) and the Crabapple Crossroads Study. This study is a detailed look at the Crabapple Crossroads intersection and transportation concept that will be integrated into the ongoing CTP. The Crabapple transportation concept is focused on the area as a village activity center opportunity and on the school traffic and commuter traffic as well as connectivity and enhanced pedestrian access. At this Stakeholder Meeting Kimley-Horn will present the Crabapple transportation concept plan and the results of the transportation analysis based on the plan. Please plan to attend and provide your input on this important Crabapple community transportation concept plan. If you are unable to attend and have any comments, please fill out a comment card at: http://www.cityofmiltonga.us/transportation/transportation_survey.asp
